# THE POWERCHAIR FOOTBALL

Powerchair Football is a fast paced team sport for people of all ages who use a power wheelchair. It is a dynamic activity which encourages teamwork and sport skills that enhance the lives of people with physical disabilities.

Powerchair football is played on a regulation basketball court with a 13" ball.

Four team members (one of whom is the designated goalkeeper) attempt to pass and kick the ball across the goal line while keeping the other team from doing the same.

The ball is kicked or passed by a footguard that is attached to the chair.

The wheelchairs are regulated to have a top speed of 10 kph (6.2 mph) and may be used forward, backward, or in a spinning motion to kick the ball.

*Teamwork is the key to success!*

## Invacare<sup>®</sup> Storm<sup>3</sup> Competition

The Invacare **Storm<sup>3</sup> Competition** is wheelchair specifically designed to meet the tough requirements of power football. With its unique football program, the **Storm<sup>3</sup> Competition** provides unbeatable acceleration and power to win the game. Its detachable **foot-guard** is easy to mount and is designed to be the perfect shape to tackle the ball. **Front-wheel traction, powerful motors** and **custom-built electronics** all contribute to giving players real control of the game... but why not experience the **Storm<sup>3</sup> Competition** for yourself and give it a try!

Note: due to greater acceleration and speed, the **Storm<sup>3</sup> Competition** is subject to high levels of strain during games. Owners should ensure that they use their power wheelchair responsibly.
